LARGE STORAGE CABINET

ELEVATING CARGO RACK

FULL SIZE CARGO BED

ARMOR PLATED WATER TANKS

CHEFS GALLEY

XV-2 BASE CAMP

**ALL ALUMINUM WELDLESS CONSTRUCTION**  
The entire frame and bed are made from 100% aluminum and constructed using the patented Alcoa Huck Bolt system. This results in superior strength and resistance to vibration fatigue than with traditional welded assemblies.

**TRUXEDO FLUSH-MOUNT TOP**  
Tonneau cargo bed cover protects cargo from exposure to the elements and allows easy accessibility to the interior without having to remove the top.

**SPRAY-IN BED LINER AND UNDERCOAT**  
Protects against everyday wear by providing an exceptionally tough surface coating.

**ELECTRIC BRAKES**  
Electric brake system delivers superior performance for better braking with fewer mechanical parts compared to conventional hydraulic systems.

**MANUAL PARKING BRAKE**  
Independent left and right manual parking brake controls keep the trailer stationary while allowing easy pivoting in tight spots.

**REAR ADJUSTABLE STABILIZER LEGS**  
Allows the loaded trailer to sit level and stable when detached from the primary tow vehicle.

**TIE-DOWNS**  
Recessed military tie-downs are located in and outside the trailer cargo bed for exceptional payload security.

**REMOVABLE TAILGATE**  
Extra heavy-duty tailgate folds out to create a sturdy work surface that is easily removable.

**LARGE FRONT STORAGE CABINET**  
Locking all aluminum custom storage cabinet provides water resistant protection for the trailers electronics, jerry cans, and sensitive items.

**TORSION SUSPENSION AXLE**  
Independent military-grade torsion axle suspension provides an exceptional ride to protect your delicate cargo while reducing stress on the frame.

**MAXIMUM GROUND CLEARANCE**  
One of the first things you'll notice about XVENTURE is her tall unobstructed ground clearance. Thanks to our torsion axle system, bottoming out is a thing of the past.
